

COVID-19 Return to Play Update for Spring 2020 Season

Dear Skyline Soccer Membership,

It's been a confusing week, to say the least. We are receiving lots of guidance on how we, as a community, can help with the COVID-19 pandemic. The guidance we receive is constantly evolving. Colorado Soccer Association (CSA) announced that the spring soccer season will be suspended until April 18. We are meeting regularly with our partners at CSA to think creatively, and to find options that will allow us to make the best decisions for all Colorado clubs. We are also monitoring and closely following the CDC guidelines and State Healthcare recommendations.

Even in times of uncertainty, our mission remains the same - to continue providing great soccer for our kids this season and beyond. We greatly appreciate your patience and understanding as we navigate these unexpected circumstances. We will continue to update everyone as things develop.

Regards,

Skyline Executive Director and Skyline Board
